

Now's the time to make a great deal

Great designs to suit every block of land at Nabilla

It's a great time to build a new home - interest rates are low and there's some good land available - but for how long? With the coal mines gearing up again and southerners looking to move to Mackay, you need to get in quick to secure your house and land before the inevitable price rises. Talk to the Gemini Homes team at the Nabilla open day on Saturday about some of the great deals on offer.
